## History of the Colonization of America and the original 13 Colonies

Chart of the 13 Colonies: The Establishment and Settlement of the 13 original colonies

### 13 Colonies Chart - Map

The adjacent Map of the 13 Colonies is a helpful aid when studying the 13 Colonies Chart and provide access to interesting information about each of the regions of the 13 Colonies. The color coding which indicates the three regions on the map is also used in the 13 Colonies Chart.

### 13 Colonies Chart - Government

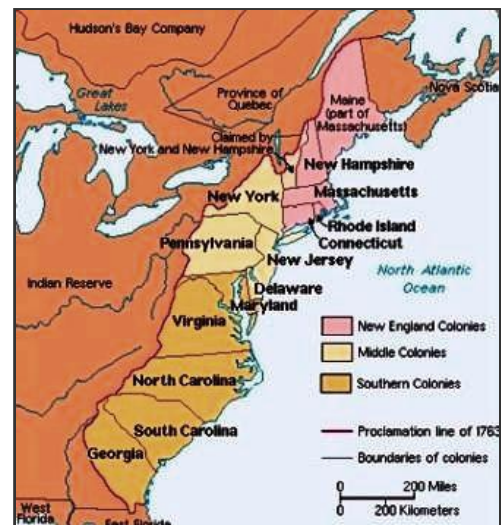

The various systems of government systems used by each of the 13 Colonies are detailed in the 13 Colonies Chart. All of the systems of government in the 13 Colonies Chart elected their own legislature, they were all democratic, they all had a governor, governor's court, and a court system. Definitions of each of the government systems are as follows:

- Royal Government: The Royal Colonies were ruled directly by the English monarchy
- Propriety Government: The King granted land to people who then formed Proprietary (Private) Colonies
- Charter Government: The Charter Colonies were generally self-governed, and their charters were granted to the colonists.

For additional facts and information refer to [Colonial Government](#).

### 13 Colonies Chart

The 13 Colonies Chart provides important information and interesting facts about each of the 13 Colonies including the date the colony was established, the region (New England, Middle or Southern) the system
