

Sleepless in American High Schools?

Should MICS's start time be moved later?

Assignment: Write a persuasive letter to the administration explaining your position using factual information from class

Who can you address your letter to? Mr. Matthews or Mr. Byrum

How long should your letter be? At least one page

Regardless of your position, you must include at least:

- Four facts to back up your point of view
- One quote (don't forget to cite!)
- One personal reflection

HELPFUL HINTS:

- **Make sure you proofread!**
- You don't have to include your address
- Don't forget to sign your name at the bottom
- Letters **ARE NOT** double-spaced
- Suggestion – break your letter into paragraphs, instead of one massive page. New idea = new paragraph
